Ancestry

When looking to embrace the globe-trotting look, we can't resist bringing in wanderlust-worthy prints and blending them with amazing textures. Utilizing sustainable materials like ceramic, acacia wood, terracotta, and rattan details in combination with those prints and textures brings your room an eclectic interest. Combining a worldly mix of cultures and creating a layered yet personal look.

Cognac & Coffee

Inspired by the warm tones of cognac and coffee, we bring together java, amber, and sage to give heady warmth to any home. With clean mid-century shapes that make a room approachable and comfortable, this look is perfectly balanced between style and substance.

Harmony

Blending softer tones with natural and boho trends, the Harmony collection evokes a sense of peace. Featuring natural wood grains, beads, and textures instead of patterns, it brings an open, harmonious feel to a space with clean ivory, serene blues, and soft gray tones.

Dynasty

Find classical inspiration in home décor with the Dynasty collection. Pairing cleaned-up traditional silhouettes with hand-painted ceramics gives authenticity to the look. Bringing classical white marble in curving silhouettes and offsetting it with dramatic blue and glittering gold details provides a sophisticated and luxurious feel to any room.

Tidal

Ocean breezes bring crisp white and deep ocean blue into your home in elegant and sophisticated shapes. Featuring clean lines in ceramics, amazing handcrafted art glass, and subtle metal details, the look is classic and contemporary at the same time. The beauty of the Tidal collection is for everyone, not just those rooms with ocean views.

Sea of Dreams

Clouds and sky reflecting on the perfect aqua of a sea of dreams are captured in this look. By pairing soothing hazy blue with cottony white in swirling art glass, homey mosaic glass, and beautiful ceramics you can add a breath of fresh air to any room. Accent with touches of wood for warmth and make your home the retreat of your dreams.

Apiary

With our busy bee lives, having an elegant and sophisticated space to call home is essential. Make your hive your home with sunny yellow touches, clean white, and soft smokey grey accents in refined and graceful silhouettes. The apiary trend makes a glamorous busy bee a beautiful and peaceful home.
